**Successful kids and successful school usually share a secret ingredient: Supportive parents !**

Here are some ways you can be involved in your child's education.

- The day starts well if children get plenty of rest and a good breakfast.
- **Make reading a daily habit** and **limit screen time**, create your own quality time.
- **Attend school meetings** to show your children that you **value their School**.
- Be A **Good Role Model**.
- Kids learn by **watching their parents**, good behaviour works, much better then telling them what to do.

*Confidence is the ability to feel beautiful without needing someone to tell you.*
