

GWALIOR GLORY SCHOOL

CIRCULAR JANUARY 2019

CLASS I & II

January is here, with eyes that keenly glow.
A frost-mailed warrior striding a shadowy,
steed of snow.

**A shadow of hard stone shivers in the soft water Icy winter night.
A gentle door knock Is it winter's cool breeze or a spring as a guest.**

January is the first month of the year in the Julian and Gregorian calendars and the first of seven months to have a length of 31 days. The first day of the month is known as New Year's Day. The month of January is named for the ancient Roman god Janus, who was the god of new beginnings. The name also comes from the Roman word 'ianua', which means door, because January represents a door to the new year. Janus is a Roman god of beginning and ending.

Let go of yesterday, let today be a new beginning and be the best that you can, And you'll get to where God wants you to be.
