CIRCULAR OCTOBER'18

CLASS I & II

*"Gratitude can transform common days
into thanks giving, turn routine jobs into joy,
and change ordinary opportunities into blessings."*

William Arthur ward

The name of the month October comes from the Latin word Octo meaning eight, because in Roman Calendar October was the eighth month of the year. With the adding of January and February at the beginning of the calendar after the Julian calendar reform, October became tenth month of the year as we know it today.

The beginning of spring and autumn are considered to be important junctions of the climate of this month. Gandhi Jayanti, Navratri and Dussehra are celebrated with full zeal & spreading the message of love, peace and victory of Good Over Evil.
