

GWALIOR GLORY SCHOOL

Circular April'26

Classes 1 & 2

“A beautiful day begins with a beautiful mindset.”

Dear Children,

Insects are some of the most fascinating creatures on our planet. They are tiny but mighty, with over a million of known species living almost everywhere around the world. Insects remind us about the power of team work and resilience. They are nature’s superheroes just like you! Here are some facts about insects.

- Honey bee can recognise human faces.
- Mealworms can digest certain plastics.
- The Dung Beetle is considered the strongest insect as per its size. It can pull 1000 times more than its body weight.
- Fireflies produces ‘Cold Light’ called Bioluminescence.
- Dragonflies are the most successful predators on the planet, with large eyes and ability to fly both forward and backward.
- A cockroach can live without it’s head for a week.
- Water Striders – a type of insect that can walk on water without sinking.
- Leaf insects – Looks exactly like a leaf with ‘veins’ and bite marks on it.

The New Academic **Session 2026-27** will commence from

Let's learn a quick and easy poem on school rules

We raise our hands to speak,

We work quietly at our seat.

We use voices soft and sweet,

And keep our place tidy and neat.

We are helpful, friendly, and fair,

And show our friends we truly care.

We walk in the hall, not run,

And keep school safe for everyone.

For queries related to the following, Parents can Call on given numbers:-

Regarding Academics :-

Academic Co-ordinator - Mrs. Kirti Phalke

(During School Hours) - 94251 09366

Regarding Fees :

Mrs. Bhavna Pamnani - 94251 14004

Regarding Conveyance :

Mr. Abhishek Moghe - 62623 02700

Gwalior Glory School Reception :

0751 - 2634101, 6262001522
