

GWALIOR GLORY PRIDE

CIRCULAR APRIL 2025

CLASSES - PG, NUR, LKG & UKG

“A new beginning, a greener tomorrow.”

**“Save the Earth, it's in our hands,
Grow more trees, protect the land.
Reduce, reuse, recycle with pride,
Let's keep our planet clean and wide.”**

Dear All,

April marks the start of a new academic year—bringing new dreams, discoveries, and a shared commitment to our planet! This year, let's make every lesson meaningful, every action impactful, and embark on a remarkable journey of sustainability.

Earth Day (April 22) is a global reminder to protect nature and create a greener future. It began in 1970, sparking a movement that now unites 190+ countries in safeguarding our planet. The 2025 theme, “Our Power, Our Planet,” highlights how small actions today shape a better tomorrow!

Fun & Fantastic Earth Facts!

- **Earth: The Only Planet with Life** – Our home provides air, water, and land to sustain us.
- **The Blue Planet** – 71% of Earth's surface is covered in water.
- **Our Cosmic Companion** – The Moon orbits Earth, lighting up our nights.
- **Spinning magic** – Earth rotates on its axis, creating day at night.
- **A Year-Long Journey** – Earth takes 365 days to orbit the Sun, bringing us seasons.
- **Gravity: The Invisible Glue** – It keeps everything anchored, preventing us from floating away!
- **Our Planet Needs Us** – Reduce, reuse, recycle, repair and refuse waste to protect our Earth!
- **Seven continents, one world!** Asia, Africa, North America, South America, Antarctica, Europe and Australia.
- **Sunshine power** – Just one hour of solar energy can generate enough to sustain Earth for an entire year!
- **Nature's superheroes** – Trees give us oxygen so more trees mean cleaner air!

Note: Every Saturday is a **“No Bag Day”**.
Kids will not bring Books and Notebooks.

“Let's pledge to create a greener tomorrow and become eco-warriors!”

Month of April 2025

Mon	Tue	Wed	Thu	Fri	Sat
