

GWALIOR GLORY PRIDE

FEBRUARY CIRCULAR 2026

CLASSES :- Play Group, Nursery, LKG, UKG

“HARD WORK BEATS TALENT WHEN TALENT DOESN'T TRY.”

**February lights the path ahead,
With lessons learned and stories read.
We run, we jump, we think, we cheer,
A month of magic, bright and clear!**

February brings with it new energy and excitement. The school grounds echo with cheers, races and the spirit of sportsmanship. Sports keep our body healthy, our mind active and our spirit strong. Shaping us into better players and better people. Sports not only teach us to compete, but to commit, to cooperate, and to grow stronger with every challenge!!

LET US KNOW INTERESTING FACTS ABOUT SPORTS :-

- Chess is officially a sport! It's recognized by the International Olympic Committee—even though the players don't run, their brains do! 
- Olympic gold medals aren't fully gold. They are mostly silver, coated with just about 6 grams of gold. 
- Cricket is played on every continent except Antarctica! 
- Skating burns more calories than running—it's fun and fitness! 
- Kabaddi, a traditional Indian sport, is now played in over 30 countries. 
- The only sport played on the moon is Golf.
