Tips for the Mothers :-

Dear Mother,

- Bed time stories are the best way to develop imagination skills & spend precious quality time with your children. Narrate short stories with morals for them.
- Drill them the proper way of brushing teeth twice a day, washing hands properly.
- Having meal together with all family members develops social skills & good manners among children.
- Take help in small work like-filling water bottles, arranging plates on the dining table, sorting vegetables etc. This will develop their confidence and make them responsible for their task.
- Let us hold their tiny fingers & move ahead few more steps in their world.

सुबह सबेरे आती तितली,
फूल-फूल पर जाती तितली !
रंग बिरंगे पंख सजाए
सबके मन को भाती तितली !

Cock-a-doodle-doo

Cock-a-doodle-doo,
cock-a-doodle-doo,
where are you?

I am in my car.

You can come in too.

Do What Is Right

We say 'Thank you',
We say 'Please',
And say 'Excuse me'
when we sneeze.
That's the way
We do what's right,
We have manners.
We are polite.

I love MY Parents

I love my Mother, she loves me too,
I hug her tight, and say
"I love you"

I love my Father, He loves me too,
I listen to him and say
"I love you"
