Dear Mothers,

- “Community Helpers are backbone of our society” they support our work smoothly. Tell children about their contribution to society.
- Tell to keep a feeling of gratitude towards them. Always say Thank You for their work.
- Gift small flower plants & ask them to take care this is the best way to connect them with nature.!
- Dry fruits are one of the best gift by Nature. Add a handful of dry fruits in our daily meals.
- Take proper writing practice daily.

फूल

**मुझे न तोड़ो कहता फूल
रहा डल पर झूला झूल
तितली भौंरे इन पर मंडराते,
बाग-बगीचों की शान बढ़ाते।**

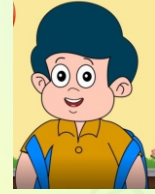

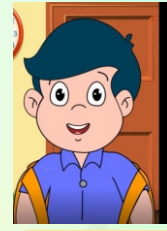

Teacher & Doctor

Teachers teach
me A, B, C.
Shapes, colours
and 1, 2, 3.
Doctors help us
when we are sick,
Give us medicines
That do the trick.

चुन्नु - मुन्नु

चुन्नु मुन्नु थे दो भाई
आइसक्रीम पर हुई लड़ाई
चुन्नु बोला मैं खाऊँगा।
मुन्नु बोला मैं खाऊँगा।
हल्ला सुनके दीदी आई
प्यार से उसने बात बताई
बुरी बात है झगड़ करना
आपस में मिल जुल के रहना।।

Winter Ready

**Teddy, Teddy
Get winter ready !
Wear your coat
Cover your throat.
Wear your gloves
That you love.
Teddy, Teddy
Get winter ready !**

What Do you Do?

Barber, Barber
What do you do?
I cut your hair,
so you look good.
Pilot, Pilot,
what do you do?
I fly a plane
In the sky so blue.

**I am a Policeman,
I am a policeman,
Tall and strong.
In you city
I go up and down
I help those
who are in need.
I am your helper
Yes, indeed !**

Who am I?

**I am a baker;
seed me bake.
whip, whip whip
And here's your cake.
I am a watchman;
Hear the whistle blow
Tweet, tweet, tweet
And I'm there you know.**

SHAPES

I am a circle,
As happy as can be.
I go round and round,
can you draw me?

I am a square,
All four sides same.
Turn me around,
I will still look the same !

I am a triangle,
Look at me !
Count my sides,
One, two, three !
